Cascade Chute Out PRCA Rodeo Guidelines

MANDATORY COVID-19 SCREENING

COVID-19 Screening is only for members/participants. During pre-entry screening, a participant indicating known exposure to a confirmed COVID-19 case in the last 14 days, exhibiting physical symptoms of COVID-19 as identified in the screening questionnaire or experiencing a fever will be required to undergo secondary screening with on-site medical personnel.

At secondary screening the participant will either be cleared to participate or given further instructions at the discretion of the medical staff. Medical officials may recommend that a member be denied access to the inner rodeo grounds and arena due to medical concerns.

If members do not clear pre-event screening process, the PRCA/WPRA will draw out the contestant and refund entry fees for affected rodeo(s). The member will be required to get proper clearance to participate from their physician prior to competing at the next scheduled PRCA Rodeo.

- All Rodeo Committee members, stock contractors and contract personnel must be COVID-19 screened prior to each performance/slack, to inner rodeo grounds and arena entry.
- All personnel are required to return signed COVID-19 and HIPFFF Waivers to Rodeo Committee personnel prior to Health Screening. If you don't, you will be asked to exit the rodeo grounds.
- Upon entering the rodeo grounds, all PRCA/WPRA members will be directed to the check-in and COVID-19 screening area.
- All rodeo members/participants will wear a face mask covering the nose and mouth upon entering the screening area.
- Rodeo Committee to establish colored wristband system to grant entry to rodeo arena for all PRCA members and contestants who cleared the COVID-19 screening.
- Primary screening will be done, including questions and temperature check.
- At the second screening, participants will enter the secondary tent and complete the Secondary Screening Questionnaire. If the second temperature reading does not go below 100.3: Contestant will be asked to leave, as we are not testing anyone, and they will be advised to seek evaluation by a medical provider.
- COVID-19 Health Screenings will be available prior, during and after each rodeo performance for the protection of all members and contestants. If a member or participant appears to be experiencing COVID-19 symptoms, said individual will be directed to report to the COVID-19 Screening area for evaluation.
- **Rodeo Arena Access:** Rodeo Arena is only available to contestants and designated helper entered per day scheduled to compete.
- **Traveling Companions:** As access is restricted to both ends of the arena to contestants and helpers only, additional traveling companions are discouraged. Health Screening will only be administered to contestant and designated helper. Contestant must be present at time the designated helper is screened.
